All Hosting Services are provided by our affiliate partner, Bluegrass Web Works. All hosting is billed directly by Bluegrass Web Works.	
Basic WordPress Hosting 2 GB RAID Storage 5 GB Bandwidth Our Basic hosting option is different from most other hosting providers. Our servers are never oversold because we don't offer "Unlimited Everything" for \$4.95 a month. With our Basic Hosting Package, we manage the servers and keep the hosting up to date and running smoothly. You are in charge of all updates and security for your WordPress website. We can assist and consult on issues or projects on an hourly rate of \$75hr.	\$12.95 / month
Managed WordPress Hosting 3 GB RAID Storage 10 GB Bandwidth Administration: We update, optimize and scan all the WordPress installations across our network. Plugin Install and Update: Notifications let us know when there is an update to a plugin or theme allowing an update to "All Sites" or "All Plugins". Site Optimization: Your site's database is optimized weekly for faster page loads. Back-up and Recovery: Daily site backups keeps your site safe from inadvertent file deletion or hacking Daily and Weekly Security Scans Real-Time Monitoring: We monitor your 24/7 and send alerts if there any server or connectivity issues.	\$24.95 / month
DIY Hosting Purchasing the hosting package is optional. If you prefer to host your website with a different provider there is a one-time hosting set-up of fee of \$100. Go Fetch Marketing will also need access via username and password to your hosting account for set-up.	\$100 Set-Up Fee
Email 10GB inbox storage and 50MB attachments	\$2.00 / month / per account
Website Assumptions: 1. All content and photos will be taken from current WordPress website in a Word Document or PDF format. Content creation is billed at \$35 an hour and will be estimated in a separate quote if requested. 2. Any photos that need to be purchased (i.e. stock photos) will be an additional \$25-\$50 per photo. All stock photos will be pre-approved purchases by client 3. Go Fetch will load a minimum of 25 photos to the photo gallery and then train client on CMS to load any additional photos 4. This quote is based upon client picking from a current website theme already developed by Go Fetch Marketing. A custom design will be an additional \$750 (Note: All sample designs come in various color palettes)	
<small>50% deposit is due at the time of contract signing. Remaining balance is due when site is live. Any websites not paid in full within 30 days of website going live will be shut down until payment is received. MasterCard and Visa payments are assessed a 3% transaction fee.</small>
